## ABOUT US

---

### SHANTI DEVI MITTAL FOUNDATION (THE "TRUST")

Shanti Devi Mittal Foundation is a non-profit organization established in 2017 by Shri Suresh Mittal in memory of his mother, Smt. Shanti Devi. The foundation works towards empowering underprivileged communities through education, skill development, healthcare, and social welfare initiatives.

The foundation focuses on creating opportunities for financially weaker sections of society by providing vocational education and community support programs. Guided by the values of compassion and inclusive growth, the Foundation is a registered trust approved and registered with Income Tax, FCRA, ISO, BSE, CSR, MCA, E-Anudaan, and DARPAN, reflecting its commitment to transparency, accountability, and social impact.

### SKETS HOPE CENTRE

SKETS Hope Centre is a charitable initiative established in 2019 to provide free education, vocational training, and skill development opportunities to underprivileged children, women, and youth under auspices of SDMF supported by Skets Studio Private Limited under their CSR initiative.

Operating from a modern 5,000 sq. ft. facility, the centre annually supports over 600 students by providing free skill development programs and educational assistance to children, women, and youth from economically weaker sections.

## TRUSTEE AND SUPPORTERS

**Shri Suresh Mittal**, born in 1953, is a pharmacist, entrepreneur, and philanthropist with over 50 years of experience. He holds B.Pharm and B.Com degrees and leads multiple business ventures in healthcare and consultancy. His work in the foundation is purely philanthropic, driven by a commitment to social welfare and community development.

**Ms. Kamlesh Mittal**, born in 1957, is an entrepreneur and philanthropist with experience in pharmaceutical retail and community healthcare. She runs a Pradhan Mantri Jan Aushadhi Kendra promoting affordable medicines. As a Trustee of Shanti Devi Mittal Foundation since 2020, she supports healthcare, education, and skill development initiatives for underprivileged communities. Her role in the foundation is purely philanthropic.

**Rajni Mittal** is an HR professional and entrepreneur with over 12 years of experience in HR, consultancy, and healthcare operations. She holds an MBA in HR, an M.A. in English from University of Delhi, and a Diploma in E-Commerce. As a Trustee of Shanti Devi Mittal Foundation, she supports education, healthcare, and skill development initiatives for underprivileged communities.

**Ms. Nimisha** is the Co-Founder of SKETS Studio, established in 2005, and has transformed it into a globally recognized design documentation firm. With strong leadership and industry expertise, she has driven innovation, quality, and global growth. Her experience in managing large-scale design and technology projects has helped establish SKETS as a trusted international partner.

**Mr. Neeraj Bansal** has over 23 years of experience in management and operations and plays a key role in driving organizational growth. As Executive Director at SKETS, he leads strategic initiatives, oversees business operations, and contributes to improved financial performance and efficiency. He is responsible for strengthening delivery capabilities, improving process quality, and ensuring strong execution across projects. His focus on talent acquisition, team development, and technical skills has helped build a skilled and future-ready workforce at SKETS.

**Mr. Shamit Gupta**, Co-Founder of SKETS Studio, has over 24 years of experience in architecture and hospitality design documentation. He began his career with Hirsch Bedner Associates and has successfully delivered 100+ hospitality projects. His leadership, expertise, and innovative approach have helped establish SKETS as a trusted global design documentation leader.

**CA Nitin Mittal** is a Chartered Accountant and law graduate with over 25 Years of professional experience. He is **the Co-Founder of Nitin Mittal & Company** and serves as the **CEO of Juno Consultants Pvt. Ltd.** As a Mentor of the Shanti Devi Mittal Foundation, he plays a key role in fundraising, social media management, and handling the foundation's accounting and legal activities. He has been instrumental in supporting and executing various social initiatives. During the COVID-19 pandemic, he actively contributed through mask and sanitizer distribution, awareness campaigns, and employment generation efforts for communities in need.

**Shri Suresh Bindal** is an important Patron of the Shanti Devi Mittal Foundation and has played a key role in guiding its social and philanthropic initiatives. His vast experience in public service and community welfare has greatly supported the foundation's growth and successful project execution. He is a well-known social personality in East Delhi and actively holds leadership positions in several respected organizations, including Sanskar Bharti, Indraprastha Aggarwal Samaj, and Indraprastha Ramlila Committee.

# MISSION, VISION & VALUES

## OUR MISSION

Our mission is to ensure social and economic development of the underprivileged through our policies, programs and practices, so that they can become self-reliant and active agents of social change in the community.

## OUR VISION

We want a society of hope and opportunities, where the problems of socio-economic weaker section is overcome, people live with dignity and economic security.

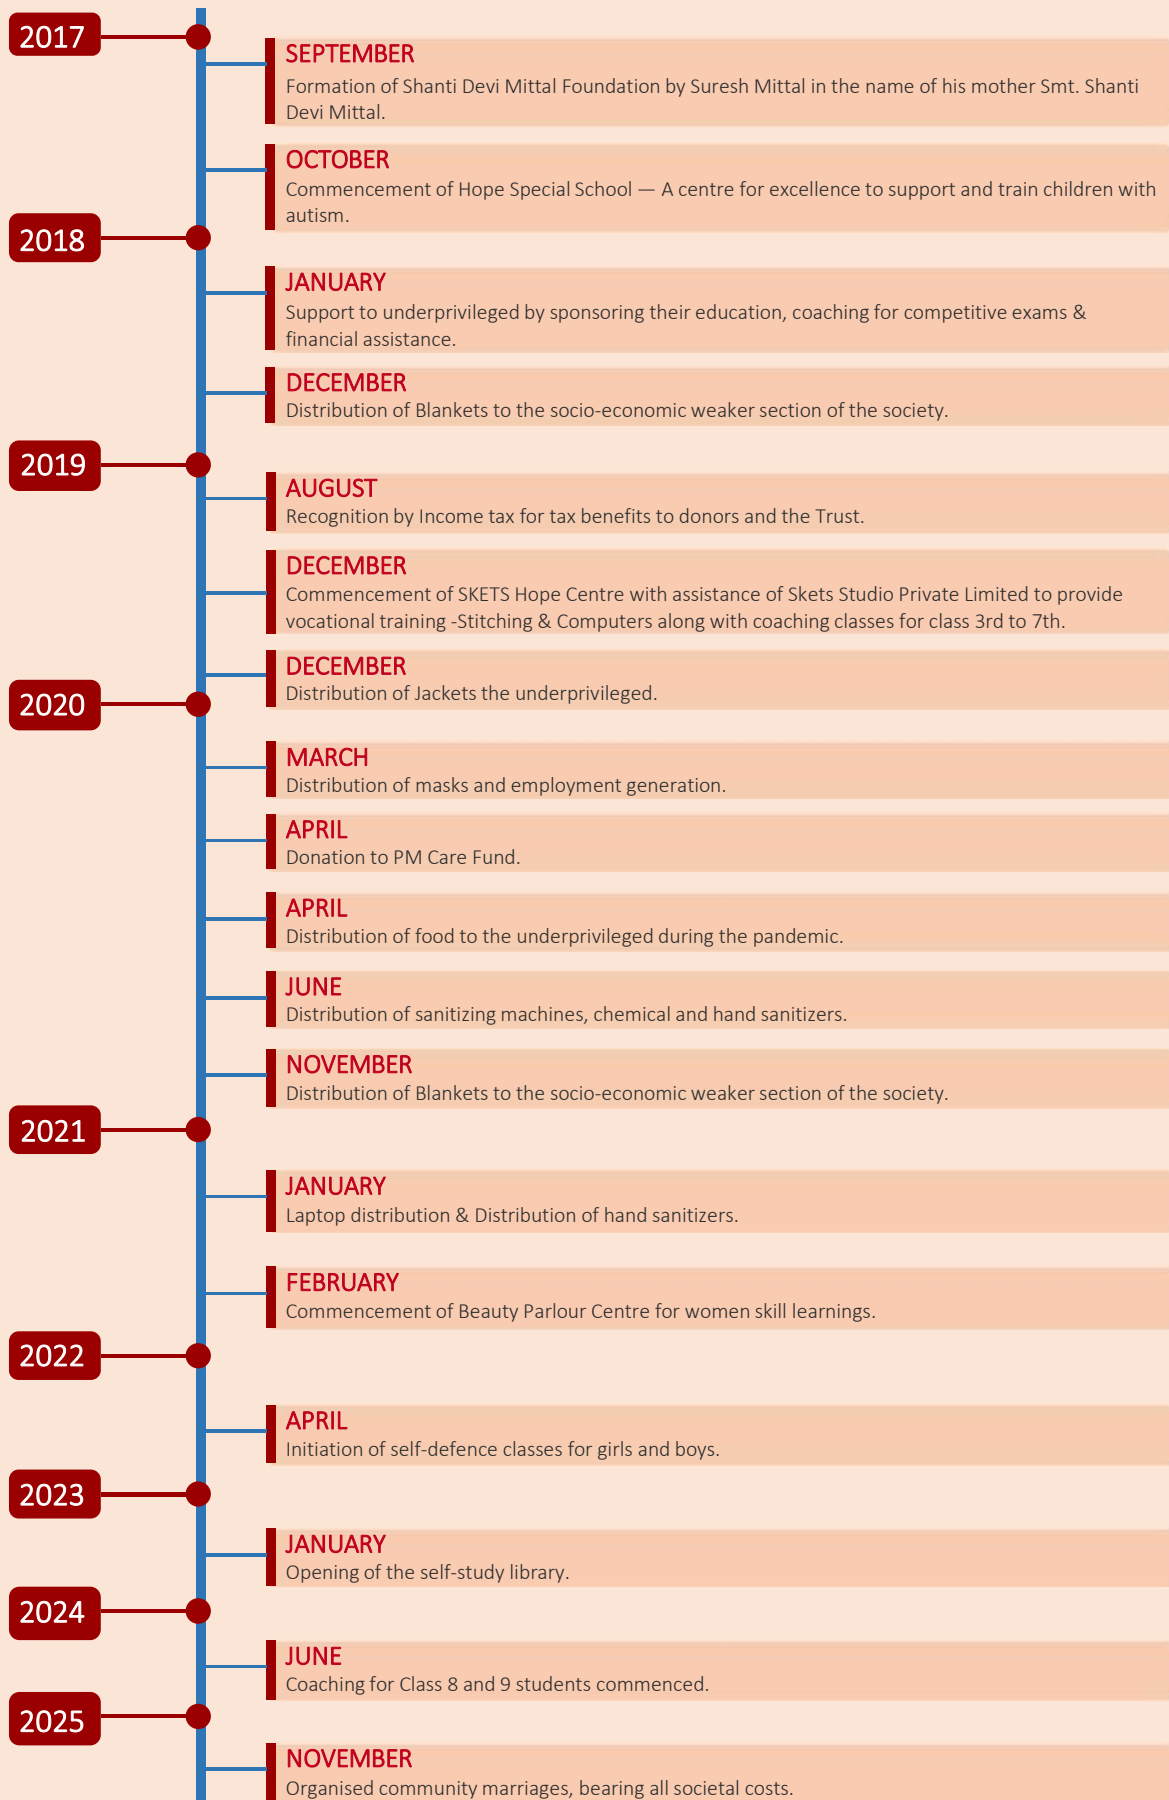

## OUR VALUES

Education drives growth. Empowerment begins with knowledge and opportunity. Inclusivity ensures equal access for all. Integrity guides every action with honesty. Compassion creates social impact, and collaboration builds stronger communities.

*"We Hope! • We Educate! • We Teach! • We Train! • We Support!"*

# OUR JOURNEY SO FAR

# WHAT WE DO

## Coaching Classes

Delivering quality education and academic support to enhance student learning and success.

## Computer Classes

Learn essential computer skills, MS Office basics and Tally.

## Library & Knowledge Centre

Providing quality education and support for better learning outcomes.

## Rubik's Cube Learning Sessions

Enhancing problem-solving and logical thinking through interactive Rubik's Cube sessions.

## Beautician Course

Providing beauty and skincare training to develop practical and grooming skills.

## Stitching & Tailoring

Professional stitching and tailoring training.

## Self Defence Classes

Building fitness, discipline, and self-defense skills through Yoga and Karate training.

## Mehendi Classes

Learn creative Mehendi designs with practical training.

## Accounts classes

Build practical accounting and financial management skills.

## AI + Digital Skills Master

Gain future-ready AI and digital skills through hands-on learning.

## COACHING CLASSES

Education is the first basic necessity of every student but in India there are so many Children who are not able to afford education because of money crisis. There are so many Children & People who are living in slums are poor and have no hope of better tomorrow. Shanti Devi Mittal Foundation runs free coaching classes for underprivileged children. As of now, the centre conducts classes from 3rd to 10th standard with more than 250 students. The teacher student ratio in the classes is 1:15. Under this program trained and experienced teachers run daily classes and mentor underprivileged children who are under difficult circumstances, such as child labor, children of poorest of the parents, street and runaway children, and slum children.

## COMPUTER EDUCATION

Today, computers are used in various fields such as business, pharmacy, music, education, engineering, management, defense, and transportation, as they help ease tasks and improve overall efficiency. Our Centre promotes computer literacy and skill development in line with modern digital standards. It is equipped with modern infrastructure and also conducts awareness sessions to enhance digital understanding. The objective of our Centre is to reach out to the weaker sections of society from disadvantaged backgrounds who lack exposure to Information Technology. To ensure effective learning, computers are provided in a ratio of 1:1 (1 students per computer) for better understanding and hands-on experience. The student-teacher ratio is maintained at 15:1 to ensure proper attention is given to each student.

## LIBRARY & KNOWLEDGE CENTRE

At Shanti Devi Mittal Foundation, we believe that education is a powerful tool for empowerment and sustainable social growth. Our Free Library and Self-Study Centre is designed to nurture curiosity and promote lifelong learning, especially for individuals who may not have access to proper educational resources. This initiative provides a safe, inclusive, and supportive environment where children, students, job seekers, and adults can come together to study, explore new ideas, and grow.

Our free library has already become a valuable space for around 40 regular learners who use it for academic preparation, skill development, and personal growth. This growing community reflects the impact of accessible education and our continuous commitment to encouraging knowledge-sharing, self-improvement, and equal learning opportunities for all.

## RUBIK'S CUBE LEARNING SESSIONS

At Shanti Devi Mittal Foundation, we focus on nurturing young minds through activities that build concentration, patience, and problem-solving abilities. Our Rubik's Cube classes are designed to enhance logical thinking and cognitive skills in a fun and engaging way. With expert guidance, students learn step-by-step solving techniques, progressing from beginner to advanced levels while strengthening their focus and analytical mindset.

These sessions go beyond just solving a cube—they help improve memory, boost confidence, and develop a sense of achievement among students. By combining learning with enjoyment, the program creates a supportive environment where children can grow intellectually while building essential life skills.

## BEAUTY CLASSES

India has large young population, only rare of the Indian labor force in the age group of 20-24 years has obtained vocational skills through formal means. A majority of Indian women workforce does not possess marketable skills which is an impediment in getting decent employment and improving their economic condition. To fill the above gap our trust is setting up a vocational skill centre to train women as a beautician Centre.

Through this project will strive to make them self-reliant, restore their dignity and empower them. It will meet need of family & generate livelihood opportunities. They would be taught about makeup, hair styling and related services with hands on training.

## STITCHING CLASSES

People do not think necessary providing opportunities to the women & adolescent girls for modern education & vocational skills in India. Shanti Devi Mittal Foundation has a dedicated centre to impart tailoring and stitching skills to the women. We are running morning and evening batches of classes which help students to start their journey in the world of sewing. The classes are designed to help beginners to comfortably start sewing clothes.

There are tremendous opportunities for the women to get suitable employment in fashion and related industry. Additionally, it will improve their entrepreneurship and employment skills & empower them taking decision about themselves. Make them self-reliant, so that they can start a small self-sustaining business and enhance employability. The student teacher ratio is 15:1, i.e. 15 students per batch under one teacher. There are four batches going on regular basis in the morning and evening.

## SELF DEFENCE CLASSES

Shanti Devi Mittal Foundation proudly commenced its Self-Defence Training Program on 1st November 2021 with the aim of empowering women and children through confidence-building and self-protection skills. The initiative was launched to help individuals protect themselves from physical harm and create a stronger sense of safety, independence, and self-esteem in their daily lives. Proposed by Ms. Nimisha Bansal, the program reflects the belief that every woman and child should feel secure and confident while commuting, working, or staying at home.

To ensure high-quality training, the foundation appointed Sh. Deepak (Black Belt), a highly experienced instructor with over 20 years of expertise, as the chief trainer for the course. The response to the initiative was highly encouraging, with 30 women and 50 children enrolling within the very first week, marking a positive step towards creating a safer and more confident community.

## MEHENDI CLASSES

People Recognizing the growing value of Mehendi skills for girls, Shanti Devi Mittal Foundation has introduced Mehendi training classes on campus. These classes help young women learn the traditional art of Mehendi from experienced experts, covering a variety of styles and techniques. Students are trained to create beautiful and intricate designs for occasions like weddings, engagements, parties, and festivals such as Diwali, Raksha Bandhan, Karva Chauth, and Eid, while also learning important skills like design precision and client handling.

Through this initiative, we aim to empower girls and young women by providing them with a creative skill that is in high demand and offers opportunities for financial independence. The classes are conducted in four batches of 10 students each, ensuring focused learning and personal attention. Led by our skilled instructors, Mrs. Renu and Mrs. Maya, this program encourages self-reliance and helps students build confidence to pursue freelance work or start their own ventures.

## ACCOUNTS CLASSES

At Shanti Devi Mittal Foundation, our Accountant Course is designed to provide learners with practical financial and accounting skills that enhance employability and career readiness. The program offers a strong foundation in accounting principles along with hands-on training in computerized accounting tools, focusing on real-world applications. It is ideal for students, young professionals, and aspiring accountants who wish to build expertise in bookkeeping, taxation, financial reporting, and business accounting.

Through structured training, practical exercises, and project-based learning, participants gain confidence in handling core accounting responsibilities with accuracy and efficiency. The course is designed to bridge the gap between theory and practice, preparing learners for real job opportunities in the finance and accounting sector.

## AI + DIGITAL SKILLS MASTER

The AI + Digital Skills Master Course at Shanti Devi Mittal Foundation is designed to equip students and young professionals with practical, future-ready digital skills. The program focuses on hands-on learning, live projects, and real-world applications of Artificial Intelligence and modern digital tools. It aims to bridge the digital skills gap by making advanced technology education accessible and career-oriented for learners from diverse backgrounds.

Participants gain industry-relevant knowledge, practical experience, and confidence to meet today's job market demands. Through expert guidance and skill-based training, the course helps learners enhance employability, explore new opportunities, and build successful careers in the rapidly evolving digital world.

# HEALTHCARE PROGRAMS

## Covid-19 Support

During COVID-19, Shanti Devi Mittal Foundation supported communities with ration, masks, 2000+ sanitizers, vaccines, oxygen support, and 400 Covid quarantine medicine kits, and ran awareness drives. It distributed over 1 lakh masks and also helped create livelihoods through mask-making. The foundation was recognized as “Corona Commando” for its dedicated service.

Its dedicated service earned recognition as “Corona Commando.”

## Medical Camps

The Shanti Devi Mittal Foundation organizes regular medical camps in underserved communities, providing free health check-ups, diagnostic screenings, consultations, and essential medicines. Led by qualified doctors, these camps focus on preventive care, early diagnosis, and health awareness, ensuring accessible healthcare and improving overall community well-being and quality of life.

## Physiotherapy Sessions

The Shanti Devi Mittal Foundation provides specialized physiotherapy sessions to improve mobility, restore physical function, and enhance overall quality of life for underserved communities. These sessions support individuals recovering from injuries, managing chronic pain, or living with disabilities. Conducted by trained physiotherapists, the program uses evidence-based techniques and personalized exercise plans to promote recovery, strength, and independence. By making rehabilitative care accessible, the foundation ensures better musculoskeletal health and helps individuals lead active, pain-free lives regardless of financial limitations.

## Other Charitable Activities

---

We envision a society filled with hope and opportunities, where the challenges faced by the socio-economically weaker sections are overcome, and every individual can live with dignity and economic security. Our mission is to promote the social and economic development of the underprivileged through impactful policies, programs, and practices, enabling them to become self-reliant and active contributors to positive social change. Guided by our belief — “We Hope! We Educate! We Teach! We Train! We Support You!” — Shanti Devi Mittal Foundation continuously works towards uplifting communities and creating sustainable impact.

Shanti Devi Mittal Foundation actively engages in various initiatives to support those in need. During the nationwide lockdown, we provided free food and ration to daily wage workers and underprivileged families, along with sanitization machines and essential supplies to maintain hygiene. We also distributed free laptops to deserving students to ensure uninterrupted education during difficult times. In addition, we organize blanket and clothing distribution drives during winters for the homeless and needy. Our free health check-up camps, conducted by professional healthcare experts, offer medical guidance and promote awareness about health and well-being, ensuring that communities receive the care and support they deserve.

## SAMUHIK VIVAH

---

The Shanti Devi Mittal Foundation supports annual Samuhik Vivah ceremonies as a social initiative to support economically weaker families and promote equality in society. Under this initiative, the foundation supports ceremony to ensure that deserving couples can begin their married life with dignity and respect through their Stitching, Beauty and Mehendi center.

The event brings together multiple couples in a single organized ceremony conducted in the presence of family members, community representatives, and well-wishers, creating an atmosphere of unity, celebration, and social harmony.

Through this initiative, the foundation aims to reduce the financial burden associated with marriage and encourage the values of simplicity, equality, and togetherness while providing social recognition and support to the couples and their families.

# HOPE SPECIAL SCHOOL

The Shanti Devi Mittal Foundation launched the Hope Special School as a high-quality center for special education and community development. For five years, the school worked to transform the lives of special children through respect, care, and specialized support.

Due to the COVID-19 pandemic, the school's operations were temporarily discontinued. However, its mission—to improve the lives of special children through dignity, inclusion, and dedicated care—remains at the heart of our foundation.

The positive impact created during the school's tenure continues to guide our vision for supporting special children across the country. We are committed to restarting the Hope Special School at the earliest possible opportunity.
